ABOUT HFRA

Our efforts within our community are diverse. We aim to fulfill needs that others are unable to provide or simply network with established organizations to find the best solution for those in need. In 2014, HFRA reached out to over 650 households. We provided the use of our hands through labor services, food and shelter, fulfilled the dreams of terminally ill patients, beautification of schools, transportation needs, holiday gifts and food for children, and much more. Our financial outreach totaled over \$20,000.

In 2015, we would like to continue our current outreach and grow with our efforts. We rely on fundraising opportunities like our Annual Golf Tournament to make these dreams a reality. Please consider your support of our organization through your participation in our traditional Golf Tournament. Please consider one of our many sponsorship opportunities and or any product or service donation for prizes or silent auction items. With your support, we can plant positive seeds in our neighborhoods and strengthen our community together. **Presented by**
